RE: Five Year Review of Reclamation Surety Estimate, American Stone, Aragonite Mine
M/045/031, Tooele County, Utah

Dear Sir,

We request an extension of time to complete the requested information on the Aragonite mine. We have been very busy complying with other government agencies on other pressing matters. We request an extension to January 15, 2003 to complete the mapping etc. Thank you.

Sincerely,

Lon Thomas
President
